

## PAVE THE WAY TO OUR NEW LIBRARY... **Buy a Brick !**

As your new Peninsula Community Library moves closer to reality, there is now a new, exciting way to show your support of this great project. We expect this new center of the community to open in the Fall of 2019, and this is your chance to create a lasting symbol of your support for this important community project.

Landscaping of the new library grounds will include themed gardens to reflect the rich agriculture heritage of the community with brick paths and seating areas throughout the spaces. Your brick will become part of these paths as a permanent reminder of your support. Perhaps the brick is for you, perhaps it is honoring a loved one, or perhaps it is for someone you know who supports lifelong learning. The purchase of a engraved brick will make a statement that will last for generations to come.

**Purchase a 4" x 8" brick with three lines of engraving for \$100**. Add a one-year Friend of Peninsula Community membership for an additional \$10. We are a 501(c)(3) organization; therefore, a portion of your donation (less brick value of \$25) may be tax deductible. Consult your tax advisor.
